About Me

Hi! My name is Melissa Tkachuk. I am so excited to be part of your educational career this year.

I've been teaching for 11 years as of this year.

I am originally from Miramichi. I went to JMH, graduated in 2009. Then I went to STU for my BA and then Crandall for my BEd. I moved to Alberta after graduating with my BEd and I lived/taught there for my whole teaching career. I met my husband in Alberta and we got married July 2, 2022.

I moved back to Miramichi with my family in September 2024.

I've taught middle & high school my whole career thus far. I love those grade levels the best!
